**Prof. Nur Islami
Universitas Riau**

7 March, 2022

Dear Prof. Nur Islami,

The 2022 International Conference on Power Engineering and Energy Chemistry will be held in Guangzhou, China, from March 25 to 27, 2022.

On behalf of Organizing Committee, we (AEIC Academic Exchange Information Center) cordially invite you, Prof. Nur Islami to attend PEEC 2022 and deliver a keynote speech "*Exploration of Renewable Energy Resources*" online. And we believe that your support will be highly important to the success of this conference.

Themed on "Power Engineering and Energy Chemistry," PEEC 2022 pools together talents from around the globe and provides a platform for high-level exchange between enterprises, universities, research institutes and governments, with a vision to advance academic research, boost innovation-driven development, and achieve mutual complementarity.
